Type Industrial

Land 2426m2

42 Burleigh Street, Toronto \$47,500pa (Year 1*) Functional Warehouse

Building Area: 1,178m2 (approx)

Situated in the industrial estate at Toronto West this property benefits from an excellent labour supply, as well as easy access to the M1 Motorway. This brick building has been designed to allow vehicles to drive through from Burleigh through to Nicholson Street at the rear making it ideal for transport distribution. Not only is it convenient for distribution but it has a large power supply which has been utilised in the past by the component who has resided in the building. It also includes:

Two-storey brick office and amenities
